

the city of Shawnee for being named the “Number 1 City for Women-Owned Businesses in Oklahoma.” The data collected by Oklahoma Baptist University is reflective of the impressive and hardworking women in Oklahoma’s Fifth District.

The percentage of women-owned businesses in Shawnee is almost twice the statewide average for cities in Oklahoma and 29.5 percent higher than the national average. In total, 49.4 percent of all Shawnee Forward businesses are owned and operated by women.

Madam Speaker, I am proud to represent such dynamic women who are an integral part of Oklahoma’s economy through creating jobs and enriching communities. Their contributions to the financial stability, growth, and innovation in the State of Oklahoma is invaluable.

I am grateful for the city of Shawnee and Shawnee Forward for their successful efforts in fostering a positive environment for women entrepreneurs to start and grow their businesses. This hub of leaders has ignited Oklahoma’s entrepreneurial spirit and will no doubt inspire young women and girls across our great State for generations to come.

A BLACK WOMAN ON THE SUPREME COURT

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, this morning at the National Prayer Breakfast, the outstanding speakers of President Joe Biden, Vice President Kamala Harris, and Bryan Stevenson combined together to say, Use your faith to make a difference. Let me applaud the President of the United States.

And in this month of February, where we typically honor African Americans and the history of how they contributed to this Nation, the President announced that he would nominate to the United States Supreme Court an African-American woman, a Black woman.

Since 1789, March 4, was when the Supreme Court first organized, there has never been one of the major elements of society—first, a woman, and then a Black woman, who, of course, in slavery, suffered alongside of men and children. Black women continued, in essence, to be subordinate. Continuing as domestics, fighting in wars, supporting families, and intellectually some of the smartest geniuses around. They were in fact ready to be on the Supreme Court.

They won’t have a “woke” agenda. There won’t be a question of whether they know a law book. Let me just say, it is time for a Black woman on the United States Supreme Court. Do it now. I thank the President.

BIDEN’S IMMIGRATION POLICY

(Mr. GROTHMAN asked and was given permission to address the House for 1 minute.)

Mr. GROTHMAN. Madam Speaker, the Biden immigration policy has been well-documented. We have gone from about 20,000 people a month being let in the country to 90,000.

Between 2019 and 2021, the number of people kicked out of the country has fallen over 80 percent. What will the result be? More people on welfare, more crime, more drugs—particularly fentanyl—more people untested for COVID.

But there is something else—because apparently that doesn’t bother the Biden administration—they ought to think about: You appear weak. You may not care, but believe me, all normal people around the world, when they see we are not enforcing immigration laws, they say we have a weak President. And when countries like Russia or China and North Korea and Iran size up the United States, they look at your border policy and say, we are dealing with a weak person.

And all these decisions, which are very difficult decisions to be made with all these countries, are going to be that much more difficult to make because you, Mr. President, are defining weakness in your immigration policy. That is the price that you will pay.

The SPEAKER pro tempore. Members are reminded to address their remarks to the Chair and not to a perceived viewing audience.
